

# This Newest *Overland* is a Beauty

Model 75 F. O. B., Toledo  
**\$615.00** Roadster **\$595.00**  
 Electrically Lighted and Started

Many people prefer a car that is smaller, lighter and more economical to run but with the advantages of a larger and higher priced car.

This Overland Model 75 is a comfortable family car with virtually all the advantages of the larger and higher priced cars at a price which is well within your reach.

It has a powerful motor; electric starting and lighting system; high tension magneto ignition; 104 inch wheelbase; cantilever springs; four inch tires; demountable rims; streamline body design. It is handsomely finished in solid black with bright nickel and polished aluminum fittings.

Five adults can ride comfortably.

The tires are four inch all around because we believe in the advantage of large tires.

They insure greater mileage and comfort than can be obtained from the smaller size used on other cars of similar specifications.

It has demountable rims with one extra.

This car is very easy to handle. It responds quickly. Anyone in the family can drive it.

The electric switches are conveniently located on the steering column. This is the same arrangement used on the highest priced cars.

It has the easy working Overland clutch which any woman can operate. The pedals are adjustable for reach. The steering wheel is large and turns easily.

The brakes are large and powerful.

In short, there is everything that makes this car up-to-date and comparable with many cars costing considerably more money.

You will be delighted when you see it. And when you ride in it you'll know instantly that this is your ideal of a modern automobile at your idea of a moderate price.

Other Overland models are—Model 83 five passenger touring car \$750; the famous Overland Six seven passenger touring car \$1145. All prices being f. o. b. Toledo.

## R U Superstitious

**Do You Believe In Signs ?**

If you do you are a judicious advertiser and a good business man. Judicious advertising Always Pays and especially when you advertise in a paper that is read by everybody in its territory.

This newspaper reaches the eye of everybody who might be a possible buyer in this section.

### Lime for Preserving Eggs

Eggs laid during April and May are of better quality for preserving than are those laid later in the summer. One pound of air-slaked lime added to cooled, boiled water is equally as good a preservative for eggs as water glass. Only clean, fresh eggs with sound shells should be "put down". Use an earthen jar. Stir the lime thoroughly into the water and drop the eggs in as gathered. Some lime settles to the bottom of the jar but does no harm. Two or three inches of the solution should cover the eggs to allow for evaporation. Keep in a cool place, preferably in a cellar. Eggs preserved by this method may be safely kept for eight months. When ready for use, remove only the eggs that are necessary.

### Watch Your Child for Worms

Worms sap child's strength, rob child of food and make child fretful, irritated, nervous. Watch stool and at first sign or suspicion of worms give one-half to one lozenge Kickapoo Worm Killer, a candy worm remover. Gives immediate results, is laxative. Paralyzes and removes worms, improves digestion and general health of child. Continue giving Kickapoo Worm Killer until all signs of worms are gone. 25c at your druggist. Adv—1

### Hogs' Choice Best

In a test to determine whether or not it is more profitable to feed hogs by the self-feeder method or by hand feeding, two lots of 19 fall pigs were fed 103 days on corn, tankage, and skim milk on the O. A. Rodekhor farm of Madison county. During this period the self-fed lot gained 165 pounds per pig or an average of 1.6 pounds per day, costing \$5.19 per 100 pounds of gain, while the hand-fed lot gained 151.3 pounds per pig during the same period or an average of 1.47 pounds, costing \$5.50 per 100 pounds gain. In other words Mr. Rodekhor could have raised 20 hogs with the self-feeder on the same amount of feed that it took to

raise 19 hogs by hand feeding. Other work of this nature will be carried on next winter. The tests are being conducted in cooperation with the county agricultural agent demonstrations of Madison county.

### More Men Than Women Have Appendicitis

Surgeons state men are slightly more subject to appendicitis than women. Alliance people should know that a few doses of simple buckthorn bark, glycerine, etc., as mixed in Adler-ika, often relieve or prevent appendicitis. This mixture removes such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. The INSTANT, easy action of Adler-ika is surprising. Harry Thiele, druggist. Adv—G-3

### Remedy for Stringy Brine

Warm spring days often cause the souring of the brine in which meat is being cured that has been butchered the latter part of winter. The most common kind of souring shows itself in a string of white mold which floats near the surface and gives rise to the term of ropy or stringy brine. The College of Agriculture says that such meat should be removed from the brine at once and be soaked in fresh water and be well scrubbed. The barrel in which it is contained should be thoroughly scalded. The meat may then be repacked and new brine be added. If thoroughly boiled the old brine may be used, but the new brine is safer and is considered almost as cheap.

The danger of spoiling may be reduced either by lessening the amount of sugar or by increasing the amount of salt.

### Safe Medicine for Children

"Is it safe?" is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children as it contains no opium or other narcotic, and may be given to a child as confidently as to an adult. It is pleasant to take, too, which is of great importance when a medicine must be given to young children. This remedy is most effectual in relieving coughs, colds and croup. Obtainable everywhere. Adv—April

### STARLIGHT

Miss Belle Eastman was at Toots' house Saturday.

John Liggett and wife were in Alliance Saturday.

Mr. Birkel and daughter were in Alliance Monday.

Mr. Birkel and daughter were in Alliance Saturday.

Mr. McLaughlin was in Alliance one day last week.

Miss Erna Birkel was visiting Miss Belle Eastman Sunday.

Jack Sherlock went to Fitzgerald's to visit after Metz's dance.

Mrs. Liggett and daughter went part way home with Toots Birkel.

Some of the Fitzgerald's were visiting down in the hills on Monday.

Bud McLaughlin and Pete stopped at Keenan's for breakfast after the Metz dance.

We were all glad to see the smiling face of Jack Sherlock at Metz's dance Saturday night.

### Why Constipation Injures

The bowels are the natural sewerage system of the body. When they become obstructed by constipation a part of the poisonous matter which they should carry off is absorbed into the system, making you feel dull and stupid, and interfering with the digestion and assimilation of food. This condition is quickly relieved by Chamberlain's Tablets. Obtainable everywhere. Adv—April

### Piano Shipped by Express

An unusual shipment through the Alliance office of the Adams Express Company last week was a player piano, shipped from the Alliance branch of the Haddorff Music House to a customer at Douglas, Wyoming.

Local express officials state that this is the first time in their recollection that a piano was shipped through the Alliance office by express. The Douglas customer insisted that the piano go at once and Mrs. J. T. Wiker, local manager, accommodated him by giving quick service. The piano was shipped Friday and arrived in Douglas Saturday.

## HEAR WITHOUT EARS

Police and Detectives Are Using Lip Reading in Place of the Dictagraph

Thousands of deaf people are today throwing away all hearing devices and enjoying all conversation. This method is easily and quickly acquired thru our system. Absolutely the only thing of its kind in the country. Our proposition is entirely original. We guarantee results, it will amaze you. Cost is trifling. See what New International Encyclopaedia says on Lip Reading. Hundreds of people with normal hearing are taking up Lip Reading for the many additional benefits gained. You can understand what the actors are saying in the moving pictures. You can understand what people are saying just as far away as you can see them. The eye understands beyond the range of hearing. Send no money, but mention this paper and state whether or not you are deaf. All particulars will be sent you absolutely free and with no expense to you. Address, School of Lip Language, Kansas City, Missouri

Music for T. P. A.'s  
 Mrs. J. T. Wiker, manager of the Haddorff Music House, and John Wiker, manager of the Alliance branch of the National Music Supply Company, the Victor store, extend an invitation to the T. P. A.'s to visit their stores during the convention next week. Special musical programs will be rendered.

## EAT LESS AND TAKE SALTS FOR KIDNEYS

Take a glass of Salts before breakfast if your Back hurts or Bladder bothers you.

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

## What Brand of Matches Do You Use?

Who makes them?  
 Are they poisonous or non-poisonous?  
 Are the sticks long and strong or short and weak?  
 Do the heads fly off or do they stay on?  
 Do they burn evenly or explosively?  
 If people knew as much about matches as they should, they would use Safe Home Matches made by the Diamond Match Company.

So. All grocers. Ask for them by name.

The Diamond Match Company
